### **OUR PART...**

- We have installed an air management system in all of our restaurants that provides a TRIPLE attack on bacterias & viruses. It cleanses and disinfects the air as well as monitors the air quality in real time.
- Additionally, we are utilizing table partitions and spacing, disposable menus, staff temperature checks, hand sanitizers at all entrances and exits and following strict sanitation practices on tables, chairs and commonly used areas.
- Our staff is wearing masks before, during and after service when social distancing is not possible. We ask that all guests arrive wearing a mask and wear it at all times when not seated at your table. We also ask that when a staff member approaches your table you kindly cover your mouth and nose with your mask. The additional courtesy and precaution will help us all remain safe over the next few months.
- If you prefer to sit outside both Don Memo and The Whelk provide outdoor seating, weather permitting. Please visit their websites for reservation information. Dress warmly and feel free to bring a blanket.

We hope these measures will help you to feel safe and comfortable while dining with us.
